The best way to reach me is probably to call the lab at 413-545-2607. There is a chance that I will not be in the lab, but rather in Springfield District Court (I'm on call for 2 cases). In that case, you could try me on my cell at [REDACTED]. Thanks for keeping me informed of what is happening.

Hi Sonja,

I think at this point you can be on call. I'm actually hoping that I can resolve the case short of trial. Just let me know the best way to reach you on short notice, if necessary.

Thank you,

Melissa
